## 2012 CITY ORNAMENT Route 66

The annual City Ornament fundraising project was a great success with the celebration of the 20th ornament in the series and fond memories of the Home's place alongside Route 66.

Nearly \$54,200 was raised to support the ministries of SJH.

Ornaments are still available. Call (217) 529-5596 or stop by the main office.

While you're here, sign your name to the Route 66 Mother Road Festival car hood. It was given to SJH by Bill Kelly and the Illinois Route 66 Scenic Byway.

### From the Administrator

"We appreciate your help"

As I write this letter, the rain is softly falling outside my window. A hope that the ground will soften and the threat of draught this year will be less than last. Then my attention turns to the "soft falling rain of kindness" which I see and hear around the building here. People holding an elevator door or stopping to push someone down a corridor show the kindness which will prevent the draught of pain and loneliness of the residents here. Our ever faithful volunteers, who come to serve our residents, or take them back and forth from Mass, are yet another sign of these many kindnesses. A staff member stopping to talk to a resident, just to show interest in how the day has been for someone who may not have a visitor coming to see them. These are all

the special signs of love and kindness which we hope will continue to blossom in the hearts of the Residents, Family Members, and staff of St. Joseph's Home.

We, sisters, would like to take a moment to thank all of you who have watched and/or been helpful in our heating and air conditioning project. Whether you have helped by encouraging us to proceed with this project or been able to help in a monetary fashion, we appreciate your help. You may have seen the way the back yard has been torn up and trucks coming and going. These are all the signs of progress in helping us to be more energy efficient and good stewards with what God has given us. The new lighting, water and heating project will help carry us forward throughout the 21st Century.

Please continue to pray for us and if possible walk along side us in helping with the improvements of the "home away from home" for so many of the seniors here in Springfield.

## MAILBOX

“Dear Sr. Lenore and Saint Joseph’s Home Sisters and Staff,

I would like to say thank you to everyone at Saint Joseph’s Home for the wonderful care my [family member] received during her stay with you.

Everyone, from the nurses, aides, kitchen staff, garden girls, office personnel, maintenance workers and of course the many Sisters and Father Dahlbey, were always so kind and caring toward her.

I am so very thankful she was able to live her last few years at Saint Joseph’s. She loved it there and truly felt it was her home which was so comforting to me and her family.”

“We will never forget the kindness, generosity, and compassion shown by the sisters and staff of St. Joseph’s Home.”

“Dear Sister Judith,

St. Joe’s exudes love and caring tenderness. This is the result of the Catholic Christian atmosphere and environment provided by a staff of the nicest people on earth...

St. Joseph’s is truly heaven on earth for those needing some assistance in their golden years. This facility is a gem in the Springfield community, a true beacon of love for our senior citizens...”

## Longevity Is a Blessing of God; Never be Discouraged

An Excerpt from Pope Emeritus Benedict XVI’s Address at “Viva Gli Anziani” Retirement Home

*Submitted by Fr. Philip Kraft*

The Holy Father visited the “Viva Gli Anziani” Retirement Home for the elderly on November 12, 2012, saying that he came not only as Bishop of Rome, but as well as an “elderly man visiting his peers”.

The Holy Father said that although many times the elderly regret the loss of youth, it is not cause for sadness. “It is beautiful to be Elderly!” the Pope exclaimed. “It is necessary to discover in every age the presence and blessing of the Lord and the riches it contains. We must never let ourselves be imprisoned by sadness! We received the gift of a long life. It is lovely to live also at our age, despite some “aches and pains” and some limitations. On our face there must always be the feeling of ourselves loved by God, never sadness,” he said.

Pope Benedict said that while long life is considered a blessing in the Bible, in today’s society that is “dominated by the logic of efficiency and profit”, the elderly are regarded as non-productive or useless. “I think that we should act with greater commitment, beginning with families and public institutions, so that the elderly are able to stay in their own homes,” the Pope said. “The wisdom of life, of which they are bearers, is great

richness. The quality of a society, I would say of a civilization, is also judged by the way the elderly are treated and the place given to them in ordinary living. Those who make room for the elderly make room for life! Those who receive the elderly receive life!”

Citing the example of Blessed Pope John Paul II as “illuminating”, the Holy Father called on the elderly residents of the home to deepen their relationship with God through prayer. Pope Benedict also called on them to pray for the Church and for the world. “The Pope loves you and counts on all of you! Feel yourselves loved by God and be able to bring to our society, often so individualistic and efficient, a ray of the love of God. And God will be with you always and with all those who support you with their affection and help,” the Pope said.
