The Forget-Me-Not Gala To Be Held April 28

Come Join Us...

Come join us for the Forget-Me-Not Gala to be held Saturday, April 28 at Christ the King Parish Center.

The goal of SJH is to provide a comfortable and caring home for the elderly men and women of our community in a loving, Christian environment without the worries of finances. However, a growing number our long-term residents are out-living their resources and families.

The biannual Forget-Me-Not Gala raises money to assist in the Continuing Care of those who are no longer able to bear the full cost of residency on their own. Since its establishment, SJH has had to balance meeting its financial commitments and caring for residents who could no longer afford to do so on their own.

Together we can give the very neediest of SJH residents peace of mind and a permanent place to call Home.

The evening will consist of a sitdown dinner, entertainment, silent and live auctions and raffles.

Call (217) 529-5596 today to make your reservation or complete the form below and mail to: St. Joseph's Home Gala, 3306 S. 6th St. Rd., Springfield, IL 62703

From the Administrator

"I can hear in the corridor the hustle and bustle of activity..."

As I write this, I can hear in the corridor the hustle and bustle of activity which goes on each day here at St. Joseph's Home.

The movement is added to by the presence of the students from Lincoln Land Community College who are in the C.N.A. training program. The presence of these young people perks up the residents and is a big help to the staff. All of this movement is the result of people caring for others. Whether it is taking food or dishes over to Holy Family Center, waxing the floor in a resident's room, delivering mail, passing medication, or simply stopping to talk to a resident to bring them joy, it's all part of what we do every day.

This caring attitude is what we as Christians are called to do. To see that others' needs are being met and cared for is why St. Joseph's Home was founded. When the Sisters came to Springfield, they were asked to come and care for the elderly. They began this ministry of caring which has now spanned 109 years. Each person here tries to show

each day that same level of caring, which was the basis of the Sisters being called from Peoria to work here in Springfield.

We, the Staff Sisters, attempt to share the caring attitude of the pioneer Sisters and call it forth from all staff members. Whether it is someone who is frying eggs for breakfast, cleaning a room, changing a bed, fixing a leak, typing a letter, or walking a resident, these and so many other acts show the caring attitude that we as Christians are called to do.

Our Lenten Season helps us to give thought as to how we can continue these charitable acts or think of others. Each of these acts of kindness draws us closer to the teaching of Jesus who is and was the model of so many of our elders who have walked through the door of St. Joseph's Home and called this home for however

long.

Each day the residents, families, and staff are remembered in the prayers of the Sisters who serve here currently. We realize that you have entrusted us with a very precious part of your family circle. Our prayer is that your family circle will be broadened to include all of us who work here at St. Joseph's Home.

May the joy of Easter, which will be upon us shortly, bring a season filled with hope and blessings. I would also like to thank all of the benefactors of St. Joseph's Home who continue to support us in so many ways. May the Lord Bless you as only he can.

God Bless You,

Sister M. Leuore

Administrator
